Mr. Jack L. Brock, Jr.
Director of Government Information
and Financial Management
General Accounting Office
Washington, D.C. 20548

Dear Mr. Brock:

The Director has asked me to respond to your letters of November 17 and 21, 1989 requesting that we complete a questionnaire pertaining to personal information contained in our computers and network systems.

As I am sure you are aware, specific information concerning our computer systems is extremely sensitive. We believe that access to such sensitive information should be limited to the committees of Congress having direct responsibility for the authorization and appropriation of funds for the Central Intelligence Agency. Therefore, I regret that we are unable to provide answers to your questionnaire without exposing sensitive intelligence methodology.

Please note that in the future all correspondence between our organizations must be addressed to the Office of Congressional Affairs.
